Features

- **Dual Wattage:** Discover your new energy-saving electric radiator with ceramic plates that both store and generate heat at the same time for an ultra-efficient indoor heating solution.
Switch between 1000W and 2000W
- **Smart Features Enabled:** Timer: Control this dual wattage heater and set a timer when at home or from anywhere in the world with the simple-to-use, free to download, ENERJSMART app from your Smartphone, Android or Tablet
- **Voice Control:** Compatible with Amazon Alexa, Google Home Assistant, Siri and Apple Watch.
- **Easy to Install:** Use as either a wall-mounted heater or attach the stand for a portable radiator that's ideal for the home, conservatory, and office.
- **Eco-Friendly & Stylish Design:** With an eco-friendly, smart, and stylish design, it's Lot 20 Compliant and it quickly heats up small rooms or cold spots in larger rooms or offices
- **High Safety Standards:** Safety as standard with overheat protection and tip over cut off for complete peace of mind for use in the family home
- **LCD Display:** Designed to be user-friendly with a UK plug attached, a bright LCD display panel and digital controls.
